The Municipal Law Section held three virtual meetings this year. On December 15, 2022, representatives from the Province of Manitoba joined us to discuss Drainage and Water Control Works Licensing and *The Water Rights Act*. We partnered with the Public Sector Lawyers' Section for a panel presentation on the topic of Tackling Homelessness in Winnipeg on February 2, 2023. Finally, we closed out the year with a presentation by Diane Stasiuk on Recent Proclamations and Other Legislative Updates Relating to the Practice of Municipal Law.
