PRESIDENT'S REPORT

John Stefaniuk

This past year has been a good year for the Manitoba Bar Association (MBA), which has continued to provide excellent service to its members through the good work and sound financiaal stewardship of MBA Executive Director, Stacy Nagle and her assistant Melissa Tannahill, all under the watchful eye of a competent, dedicated Executive, an engaged Council and a host of volunteers from

every practice area and every region in Manitoba. No single issue dominated the MBA agenda this year, which allowed the Executive to turn its attention toward the finalization and implementation of the MBA's strategic plan. I am pleased to report that implementation of the plan is proceeding on schedule and that members are already realizing the benefits.

"Service to members" has been the MBA mantra. We have focused our efforts on member services, including ensuring that our Sections are vital and active, maximizing Section involvement, increasing opportunities for members in rural or remote locations to participate, advocating on behalf of our membership and the profession as a whole and protecting and enhancing the reputation of the profession and the judiciary.

For the MBA, it has also been another year in which our Association punches above its weight on the CBA national stage. Guy Joubert has been elected as the CBA Second Vice-President. (Blame me for the "Guy's our guy" slogan.) Antoine Hacault sat as Vice-Chair of the CBA National Membership Committee. Annette Horst chairs the Young Lawyers' Conference. Karen Wittman has a leadership role on the National CLE Committee, as does Veronica Jackson on the Legal Aid Liaison Committee. These are but a few examples. It has been a great pleasure to work with these dedicated volunteers and the Executive and Council.

A conscientious effort was made this year to respond to media reports that unfairly criticize lawyers or judges. Although this has sometimes resulted in personal attacks on yours truly, the end results have been positive. Vitriol and rhetoric have been supplanted by a more reasoned and informative criticism, which should be welcomed as being both informative to the public and constructive in the pursuit of a better system of justice for Manitobans. We must remain vigilant and responsive.

We have continued to enjoy a collegial and even congenial relationships with the judiciary, the Faculty of Law, The Law Society of Manitoba, the Attorney General and Department of Justice. In that regard, we are the envy of most CBA branches. Our ability to work closely with each of these groups enhances our ability to deliver benefit to our membership, and is not to be underestimated.

Finally, on a personal level, this past year's service to you as MBA President has provided me with many exceptional and enjoyable experiences and has enhanced my own development as a lawyer and a member of our community. Thank you for having allowed me this time as your President. Thank you for all of your contributions to the Manitoba Bar Association and its achievements in serving as your voice, the voice of the legal profession in Manitoba.

As Vice-President, I was responsible for Section activities of the Association. I would like to thank all of the dedicated branch Section leaders for their effort in organizing these meetings and ensuring that engaging presenters spoke on matters of interest to you in your areas of specialty. In 2005/2006 77 Section meetings were held and attended by 1,634 members.

Antoine Hacault

In an effort to be more accessible to our rural members, the Criminal Justice Section in 2006 held a video link Section meeting. Our thanks to Manitoba Justice for providing the facilities and equipment for this meeting.

In December 2005 the MBA Council approved name changes for two branch Sections. The Gay & Lesbian Issues Section has been changed to the Sexual Orientation and Gender Identity (SOGIC) Section and the Public Sector Lawyer Section has been changed to the Public Sector Lawyers' Forum.

In my capacity as Vice-President of your Association, I was also the liaison between the Mid-Winter Organizing Committee and the Executive. I thank all the volunteers on this Committee who made the events such a success. I am a member of the Legal Aid Advisory Committee. The Committee has been looking at adequate funding for resources to reduce the case load which depends on Legal Aid assistants and implementing a structured process with respect to the review of the adequacy of the Legal Aid tariff.

As your Vice-President, I have had the privilege of participating in a number of other activities including meetings with the Minister of Justice and Attorney General for Manitoba, the Mentorship Program, the Law School Laskin Moot Court competition preparations, meetings with the judiciary, and various Canadian Bar Association functions and meetings including the final consultation with respect to the strategic planning for the Canadian Bar Association and all of its branches. It was a privilege for me to serve as the Vice-President of your Association. I thank all of the volunteers and our dedicated staff - Stacy Nagle and Melissa Tannahill, for their unwavering support.

Ayant été Vice-Président du Comité des services aux membres de l'ABC, au mois d'aôut 2006, j'ai commencé mes tâches à titre de Président de ce Comité. I look forward to participating in the implementation of the CBA Crystal Clear Report which resulted from an extensive and exhaustive survey of the needs and requirements of CBA members.

Annual Report -2005-2006 **VICE-PRESIDENT'S REPORT**

MEMBERSHIP/MEMBER SERVICES REPORT

Michael Law

In 2005/2006, the Manitoba Bar Association (MBA) initiated a number of initiatives aimed at increasing and strengthening our membership.

Lawyers

Specifically for lawyers, we secured the continuation of Manitoba Justice's pilot project through which provincial attorneys have half of their membership fees paid by Manitoba Justice. For the first time, the MBA has targeted the

approximately 40% of Manitoba lawyers who are not yet members of our association.

In the Spring of 2006, the MBA developed information packages and sent out approximately 350 mailings to non-member lawyers. In April and May 2006, we had "Bring a Buddy" months during which MBA members were encouraged to bring out their non-member colleagues to Section meetings and other MBA events. Follow-up letters were sent to all "Buddy" lawyers who attended an MBA meeting or event during that month.

A one-page "cheat sheet" highlighting the benefits of membership was prepared and distributed at the December 2005 Council meeting. The list of "Preferred Suppliers" continues to be developed.

Students/CPLED

Specifically for students, the MBA continued with its very popular lawyer/student mentorship program in which 72 lawyers and 69 students participated. Two wine and cheese events were held in November 2005 and February 2006.

Members of the staff and the Executive attended law school orientation week where the MBA hosted a luncheon during which law students, particularly first year students, were recruited. Several of our members and the executive attended the formal "Carbolic Smoke Ball" event and we secured the agreement of the law students' association to hold this event in conjunction with the MBA Mid-Winter conference In January 2007.

MBA President, John Stefaniuk spoke to the CPLED students on September 6, 2005 on the benefits of membership in the CBA. The MBA offered a member only draw for CPLED Students for the MTC/MBA joint production of "Inherit the Wind" in April 2006. The MBA also sponsored the CPLED wind-up lobster dinner on March 10, 2006.

Image of the Profession

In August 2006, approximately 20 MBA members participated in a one day build with Habitat for Humanity. This is part of our ongoing efforts to improve the image of lawyers in the eyes of the community. The MBA contributed \$5,000 to Habitat for this event, known as "Adopt-a-Day".

CBA National

I attended the meetings of the national membership committee in October 2005, February 2006 in Cancun and August 2006 in St. John's. National membership initiatives include:

- Personal meetings with universal firms and developing benefits to encourage firm universality,
- Review and continued development of a national advertising campaign aimed at boosting the image of lawyers in the eyes of the public,
- The development of a new publication called "the Canadian Bar Advocate" that highlights the benefits of membership,
- The implementation of a 5 year pilot project for free membership to Ontario law students,
- The securing of additional funds for the CBA's national marketing and advertising initiatives for 2006/2007.

Membership in the Manitoba branch remained strong at over 1,200 paid members for most of the 2005/2006 year. As of August 29, 2006 there were 1,210 paid members in Manitoba; an increase of 2.9 % over the past year. I continue to make personal contact with all lapsed members and I continue to send "welcome" letters and information packages to new members.

Anthony Kavanagh

SECRETARY / TREASURER'S REPORT

I am very pleased to be able to provide with this report, the audited Financial Statements for the Manitoba Bar Association (MBA) for the fiscal year ended August 31, 2006 prepared by Dean R. Jenkyns Chartered Accountant Ltd.

I will point to some highlights for your consideration:

You will note on the asset perspective that the MBA's investments have

been increasing every year in the last 3 years, up from \$257,243 (2003-2004) to \$295,948 (2004-2005) and then to \$318,327 this year. Our investment income increased from \$6,849 to \$13,874 at the end of last year, and then went down to \$7,476 this year, but within our expectations. To that end, the total investments are the equivalent of approximately 90% of our annual expenses, which, as a broad rule-of-thumb is about where a not-for-profit organization such as ours should attempt to maintain.

There were some Council approved increases to the budget this year which impacted on expenditures including the assistance provided to Guy Joubert in his campaign for CBA Presidency, and travel assistance provided for voting delegates at the CBA Council meetings in St. John's, for example. Our overall expenditures thus ended the year higher than our budget.

For some years, the MBA has been expecting our rental expenses to increase. In the last month of the fiscal year we had to move our offices and entered into a 48 month lease, some of those moving costs were included in the 2005-2006 year, but the commitment is referenced at Note 5 and will impact the next and future fiscal year.

All in all, our finances continue to be solid and the treasury prudently maintained on behalf of our members and in accordance with our Association work and objectives.

I want to thank the expert assistance of our Executive Director, Stacy Nagle, as well as your Executive and Council whose collective work provides a much calmer ocean in which to steer our fiscal ship.

This is the last report to be issued from the Communications and Public relations portfolio. With the passing by Council of changes to the position I am pleased to see the change to an Advocacy/Public Relations focus. My congratulations to Annette Horst on her election to the new Advocacy/Public Relations position.

Barry Effler

Manitoba Bar Association (MBA)

Awards: As part of the long term planning for the MBA, I completed a report for the Executive on our Awards given out and thoughts for potential improvements. The Executive reviewed the issues involved and changes were made for 2007. The MBA Awards will now be presented at the Mid-Winter Awards Luncheon.

Website: Rebuilding the design and layout of the MBA portion of the CBA website was a priority in 2004-2005 and the updates came live in this fiscal year. My thanks to Robert Dawson who took on the task of creating a fresh new design and layout for the MBA web-site and to Stacy Nagle for her efforts on this project.

Headnotes & Footnotes: Ten editions of the branch newsletter were produced in 2005/2006.

I created a new column in 2005 in Headnotes & Footnotes called Just Ask, which continued this year. This column generated a lot of interest in CANLII and discussion with the courts about Queen's Bench Family Division and Provincial Court decisions. In the end, Provincial Court decisions now seem to be getting to the CANLII site. Queen's Bench Family decisions continue to be rarely submitted to CANLII and this continues to a topic being reviewed by the Chief Justice and others as part of a larger issue of the publication of potentially sensitive information.

In the October 2005 edition, Dean Scaletta's new feature article entitled, *What's Happening* premiered. The article highlights accomplishments of MBA members.

Law Day: Law Day was held on Sunday, April 9, 2006. Events included: guided tours of the law courts; 28 exhibits and

displays; Mock Trials in French & English presented by elementary and senior high school students; distribution of the Charter; legal information panel discussions including a presentation and promotion of Will Week – Estate Planning for Your Future; special sitting of Citizenship Court; and an award presentation of the "Celebrate Your Freedom" poster contests. This year over 1,600 members (second highest attendance number) of the public participated with over 800 people (highest number to date) participating in guided tours. My congratulations to the organizers and all volunteers.

Inherit the Wind: The joint MTC/MBA production of *Inherit the Wind* was a lot of fun to watch and helped raise over \$85,000. My congratulations to everyone involved in the cast and crew. A couple of days before opening night, the Executive provided a meal for the cast and crew and had an opportunity to see the hard work that went into making the production look so professional and effortless.

Manitoba Public Insurance: Robert Dawson represented the MBA at the Public Utility Board as an intervener regarding Manitoba Public Insurance rate review application.

Manitoba Law Foundation: I represented the MBA in May, 2006 at a roundtable with the members of the Manitoba Law Foundation to discuss how the Law Foundation could support and encourage law reform.

Bar Bonspiel: Sixteen teams participated in this year's event that was held on Friday, March 3, 2006 at the Granite Curling Cub. Kerry UnRuh and Dana Kochan from Deeley Fabbri Law Corporation organized this event.

MBA Golf Tournament: The MBA Golf Tournament went off well on May 29, 2006 at the Elmhurst Golf and Country Club. Proceeds from the tournament were provided to Habitat for Humanity. My congratulations go to the organizers Jon van der Krabben, Bill Malcolm and Ron Simenik and everyone who participated in this fun event.

No year end report is complete without thanking Stacy Nagle and her assistant, Melissa Tannahill for their tireless efforts on behalf of our association. Thank you.

Veronica Jackson

This year at the Canadian Bar Association (CBA) is was all about the future, or should I say "Futures". At the CBA's annual meeting in Vancouver in August of 2005, the CBA Futures Committee presented Council with its report, "Crystal Clear: New perspectives for the CBA". In June of this year a national facilitated summit was held just outside of Ottawa that brought together representatives from each

branch, (both staff and volunteer) as well as the CBA Board of Directors and Senior Management Team. Each branch was also asked to appoint a Futures Champion whose role it will be to liaise with the CBA on all things "Future". Sarah Inness was appointed as the Manitoba Branch champion.

During the summit the participants addressed the recommendations contained in the Crystal Clear Report,

PAST PRESIDENT'S REPORT

with a focus both on discussing their implications and priority setting. The summit results were then used by the Futures Committee as part of the foundation of its second report "Crystal Clear: Strategic Directions for the CBA", which was presented to CBA Council at its meeting in St. John's Newfoundland in August of 2006.

The Strategic Directions Report is now being integrated into a proposed new strategic plan for the CBA. The expectation is that the proposed strategic plan will be put before CBA Council in the upcoming year.

The Future looks bright for the CBA. With strong and committed leadership, both staff and volunteer, the CBA is well positioned to continue to serve as the voice of the legal profession in Canada and is well prepared to face the future with a "Crystal Clear" vision for increased success, for itself and its members.

EXECUTIVE DIRECTOR'S REPORT

The Manitoba Bar Association is an Association of lawyers, judges and law students in Manitoba. Our purpose is to advance the interests of our diverse membership and to promote the essential role of the legal profession in our society.

As the voice of the legal profession, the Manitoba Bar Association is a leader in the community, providing high quality training and services, increased involvement in the development of legislation and promoting high standards of professionalism. Representing those who work within the legal profession, the Manitoba Bar Association will be a relevant and proactive advocate for its members and a presence within the legal community.

On June 15, 2005 Council approved a 4 year strategic plan for the Branch. The Branch has made great progress in implementing the activities identified in the plan. The branch's accomplishments regarding the activities identified in its strategic plan not already mentioned in the other reports are outlined below.

- An Ad Hoc Committee comprised of Sandi Phillips, Jacquie St. Hill and Chaired by Veronica Jackson, MBA Past-President, drafted changes to the MBA By-Laws. Revised By-Laws were adopted at the June 14, 2006 meeting of Council.
- On Thursday, November 17, 2005 the Equality Issues Section hosted a reception that honoured Manitoba's newly appointed justices, masters and judges: The Honourable Justice Shawn Greenberg, The Honourable Justice Karen Simonsen, The Honourable Justice Marianne Rivoalen, The Honourable Justice Lori Spivak, The Honourable Justice Lori Douglas, Master Joy Cooper, The Honourable Judge John Combs, The Honourable Judge Murray Thompson, The Honourable Judge Fred Sandhu, The Honourable Judge Timothy Preston, The Honourable Judge Ken Champagne, The Honourable Judge Christine Harapiak and The Honourable Judge Kelly Moar. Over 90 people attended the celebration.
- The Ad Hoc Committee of MBA Past-Presidents met on November 1, 2005 to discuss various issues and make a recommendation regarding the Distinguished Service Award recipient.
- The CBA's Equity Advisor, Charles Smith, was in Winnipeg on December 7, 2005 to host a focus group on developing an equity and diversity template for law firms. Approximately 20 people participated in this focus group.
- The 2006 Mid-Winter which was held on January 26 28, 2006 featured 6 CLEs: Evidence Issues and The Use of Experts, Estate Fees and Costs, Cross Border Confusion?, Sentencing Aboriginal Offenders, Drafting for Dummies, and The 15 Minute Business Lawyer. The 2006 MBA Distinguished Service Award was presented to Dr. Arthur Mauro, O.C., O.M., Q.C. and the 2006 Pro Bono Award Recipient was Canadace Everard from Pitblado LLP.
- The Future of Law in Manitoba Committee met twice in 2005/2006 to review and fine tune the articling match process. A connecting point was held in February 2006 that provided an opportunity for firms to hire articling students for 2007/2008.
- Regular meetings with The Honourable Gord Mackintosh, Minister of Justice and Attorney General for Manitoba were held.

 The MBA continues to raise the issue of Legal Aid with the Minister of Justice and Attorney General for Manitoba. The Manitoba Bar Association has two representatives on the Legal Aid Advisory Committee, Sandip Sett and Saul Simmonds. In addition, Antoine Hacault sits on the Advisory Committee. The CBA

Stacy Nagle

continues its work on the Legal Aid test case. The National office and each of the branches are providing the financial support for this test case.

- The Honourable Judge Christine Harapiak of the Dauphin Provincial Court was the keynote speaker for the Young Lawyers' Judges lunch which was held on April 20, 2006. Approximately 80 people attended the luncheon that was sponsored by CBIA.
- The MBA, the Office of the Public Trustee and The Winnipeg Foundation presented "Will Week" from April 24 – 28, 2006. The initiative provided the general public with information on topics such as Health Care Directives, Enduring Powers of Attorney and Wills. Free seminars were held at 11 locations in Winnipeg and various locations outside of Winnipeg.
- We also continue to lobby the provincial government to enact legislation to exempt RRSP's from seizure.
- A total of 1,900 copies of the 2006 Legal Directory & Day Planner were ordered and distributed.
- Weekly court decisions were distributed to subscribing firms.
- CBA 1st Vice President, Parker McCarthy, Q.C., was in Winnipeg on November 2 & 3, 2005. He spoke at our Council meeting, had coffee with the judiciary, met with the Attorney General, met with the managing partners of Thompson Dorfman Sweatman LLP and Aikins, MacAulay & Thorvaldson LLP and spoke at the Mentorship Reception.
- CBA President, Brian Tabor, Ontario Branch President, Heather McGee and Saskatchewan Branch President, Lynn Smith attended the MBA Mid-Winter meeting.
- The MBA prepared to move its offices on September 1, 2006 to 1450-363 Broadway, Winnipeg, MB R3C 3N9.

I would like to conclude my 4th annual report with some thanks. Thanks to the members of the MBA Executive and Council. These volunteers contribute countless hours to make sure the Association is a high performance organization. Thanks to the other great volunteers of the Manitoba Bar Association. Without these volunteers the Association would not be able to provide auality services to our members. And last but certainly not least, thanks to the great staff I had the opportunity to work with during the last year. Elona McGifford was back by popular demand in the summer of 2006 to research and assemble the information that was included in the Legal Directory & Day Planner. Elona also assisted with researching, writing and editing articles in Headnotes & Footnotes in 2005-2006. Melissa Tannahill continues to provide support to the Association as the Executive Assistant. Melissa continues to amaze me with the quality and quantity of work that she competently handles. But then again, I believe that she can also leap small buildings in a single bound.

NOTES TO FINANCIAL STATEMENTS Year Ended August 31, 2006

1. PURPOSE OF THE ORGANIZATION

The Manitoba Bar Association, a branch of the Canadian Bar Association, is a non-profit organization dedicated to enhancing the economic, professional and social interests and well-being of its members throughout the province of Manitoba. The Manitoba Bar Association represents approximately 1,250 members of Manitoba's legal profession, including: lawyers, judges, law students and law professors.

2. SIGNIFICANT ACCOUNTING POLICIES

a) METHOD OF ACCOUNTING

The Association follows the restricted fund method of accounting. Revenue and expenses related to program delivery and administration are reported in the General Fund, on an accrual basis. Purchases, sales and amortization of capital assets are reported in the Capital Fund. Revenue and expenses related to participation in the Canadian Bar Association's annual meetings are reported in the Conference Fund, on an accrual basis.

b) INVESTMENTS

Investments are recorded at cost. Interest income is recognized as revenue when earned.

2006

c) CAPITAL ASSETS

Capital assets are stated at costs less accumulated amortization, recorded on the straight-line basis at a rate designated to amortize the cost over the estimated useful life: Computers -3 years.

d) USE OF ESTIMATES

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

e) FAIR VALUE

Due to the short-term nature of all financial instruments other than long-term debt and long-term investments, the carrying values as presented in the financial statements are reasonable estimates of fair value. Management has estimated fair value by reference to established financial markets. As is true for all estimates, actual fair value could differ from this estimate, and if so, any difference would be accounted for in the period in which it becomes known. For long-term investments and long-term debt, it is not practicable within constraints of timeliness or cost to determine the fair value with sufficient reliability because the instruments are not traded in an organized financial market.

5. COMMITMENTS

On September 1, 2006 the Association entered into a 48 month lease for its office, terminating on August 31, 2010. Base rent is \$869.33 per month plus common area costs.

Auditor's Report to the Members

I have audited the statement of financial position of the Manitoba Bar Association as at 31 August 2006 and the statement of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the association's management. My responsibility is to express an opinion of these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether these financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the association as at 31 August 2006 and the results of its operation and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Winnipeg, Manitoba 13 October 2006

Dean R. Jenkyns, Chartered Accountant Ltd.
