# *Practice and Procedure before Administrative Tribunals*

Robert W. Macaulay, Q.C. and James  
L.H. Sprague and Lorne Sossin  
(Toronto: Thomson Reuters, 2019)

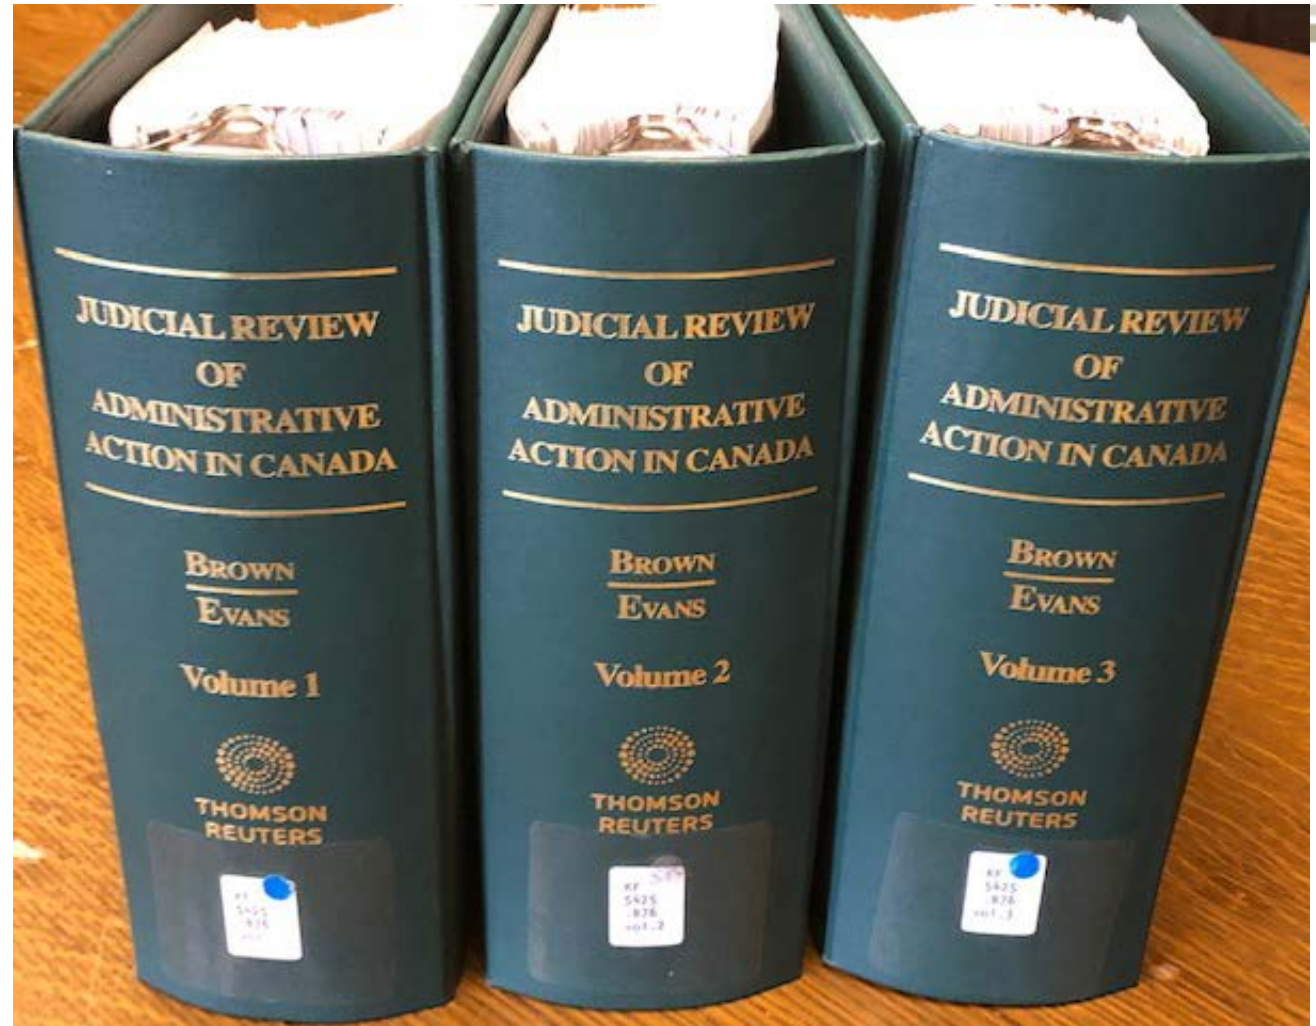

*This book is not a law text. This is a book about administrative agencies and how they operate.*

# *Judicial Review of Administrative Action in Canada*

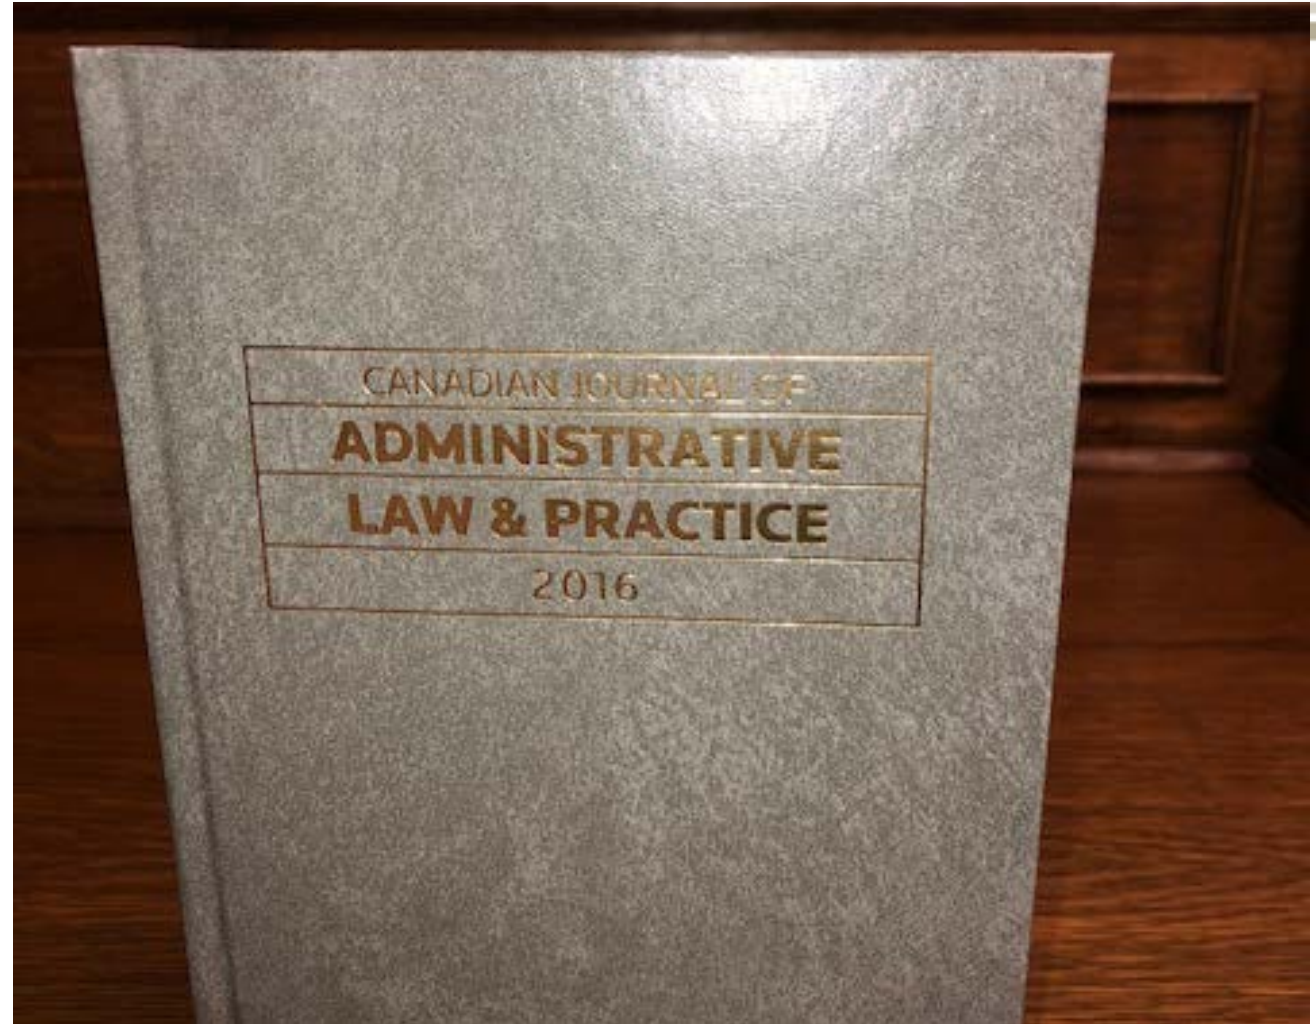

Donald J.M. Brown, Q.C. and The Honourable John M. Evans with the assistance of David Fairlie (Toronto: Thomson Reuters, 2019).

*Judicial Review of Administrative Action in Canada* has been a long time in the making. It became a collaborative effort following a dinner one evening in June, 1994. ... the book goes back further than that: for both of us it represents a distillation of whatever knowledge, insights and understandings we have managed to acquire about administrative law ...

*(Preface, Donald Brown and John Evans)*
